We will contact you via email to let you know if your student has qualified for a scholarship. There are various scholarship amounts available covering different portions of the tuition fee, up to 80% of tuition covered with the largest scholarship. If mailing in the registration form with the scholarship form, please still include the \$25 non-refundable deposit (which will save a place for your student in the class.) You may also register online and choose the "\$25 deposit" option. We will let you know the remaining owed after the scholarship has been awarded. If the largest scholarship is awarded, the total tuition will just be the \$25 already paid with registration.
